

Equal opportunities monitoring – Eckington School

Job title:

Job reference number:

We have a legal duty to promote equality. This applies to everything we do both as an employer and provider of services. We also have a duty to ensure that minority groups are not excluded from our recruitment process. We want to make sure that our equal opportunities policy is working and also find out how well our recruitment process works. To help us with this we need to ask you a few questions.

Please note: The shortlisting and interview panel will not see any of this information as it is used for monitoring purposes only.
