Dear Parent / Carer,

We would like to thank you for the way you are working with us to support your child's transition to Eckington School. Many parents have filled in the admissions form on the school website. A reminder, we would appreciate it if this could be completed by Friday 19th June.

The modern foreign languages form has also been completed by most parents. Never, have we had so many children want to make a choice, or so many pick French (for the last 2 years German has been more popular). Unfortunately, this means we are unlikely to be able to offer their first-choice language to some children.

Tuesday 16th June 2020 would have been the date for the first of our Information Evenings. We are disappointed, that social distancing measures mean this cannot take place. As an alternative we have put together a virtual presentation. This will be placed in the Transition section of the website tomorrow. We very much encourage you to spend some time viewing this presentation. It will provide key information on pastoral care, how your child will be taught, uniform and transport. It also gives the contact details of several key staff, should you want to get in touch.

Kind regards

Mrs R. Price
