

## 3 Key Outcomes for Careers Education at Eckington School

### Develop Yourself

**Developing yourself through careers, employability and enterprise education**

Our students will be given the opportunity to develop their self-awareness, self-determination and self-improvement as learners in our school. We want to raise their aspirations, help them to find their ambition and to achieve to the best of their ability.

### World of Work

**Learning about careers and the world of work**

Our students will be given the opportunity to explore, investigate and understand careers and the world of work. We want them to be made aware of all the opportunities that are available to them and to be able to make informed choices about their next steps

### Career Management

**Developing your career management, employability and enterprise skills**

Our students will be given the opportunity to develop a range of career management, employability and enterprise skills. We want them to be able to successfully navigate their way through their careers and be equipped to deal with any challenges and manage change along the way.
