**Wednesday 29 June – Exam Contingency Day**

The Joint Council of Qualifications (JCQ) have declared that Wednesday 29th June will be the contingency day for Summer 2022 examinations. This is the last date that any exam can take place on, should it have to be moved from its original time / date. The JCQ states: "The designation of a 'contingency day' within the common examination timetable is in the event of national or local disruption to examinations. It is part of the awarding bodies' contingency planning for examinations". **Students should be available to sit examinations up to this date if required, as instructed by JCQ.**

NB. The dates/times of all of the above are provisional.
